GIPHY

Provides:

This API provides GIFs and stickers from the GIPHY library.

Pain factor: 2

(0=ezipz...5=nightmare)

Key Provisioning:

- Creating an App:
 1. Goto GIPHY's [Developer Dashboard](#) and create an account if you don't have one.
 2. Click on Create an App, Select API, and then follow the steps to create the app.
 3. Once you're done, you should see your app along with the API key associated with it.
- You can apply to upgrade your beta key to a production one once you're done with testing and are ready to deploy your app to the world.

Quotas:

- Beta key: 42 / hour, 1000 / day
 - Production key: unlimited? (though not explicitly stated, it seems to be implied in the [FAQ](#))
-

The Good:

- It is free.
- You can search by keywords and ratings.
- GIPHY has one of the largest collections of GIFs.

The Bad:
